ISSUING A NEW LIBRARY CARD

1. If the patron lives in our service area, have them fill out a library card application. The application is available in English and Spanish.

2. Verify the patron's local address using their photo ID or a piece of mail.

   NOTE: General Delivery addresses will not be accepted. Only residents, people owning property within the North Central Regional Library (NCRL) district or people willing to pay for a fee card are eligible to receive a library card. If the patron is over the age of 18, we require documents (photo ID, mail, or other) to verify current address.

3. Before making a new card, search for the patron by name.

4. If the patron is not already in KOHA, click on “New Patron.”

5. Use the drop-down menu to choose the card type. You will usually make an “NCRL” card. See pages 8-9 for other card types and their descriptions.

6. Once you select the patron type, the “Add patron (NCRL)” form will open.
The fields in red are required. Please fill this form out using ALL CAPS, and do not fill in birthdate or gender.

**YOU MUST INCLUDE LAST & FIRST NAME!**

INCLUDE A MIDDLE NAME OR INITIAL WHENEVER POSSIBLE IN THE FIRST NAME FIELD.

Example: PATRICIA ANNE

**ONLY USE RED AREAS IN THIS SECTION!**

OTHER FIELDS DO NOT SHOW WHEN MAIL ORDER PRINTS ADDRESS LABELS.

**PATRONS MUST RECEIVE NOTICES BY PHONE AND/OR EMAIL.**

**NOTE:** A PHONE NUMBER IS REQUIRED TO SIGN-UP FOR A LIBRARY CARD.

ALL PATRONS WILL RECEIVE PHONE NOTICES UNLESS A PATRON PREFERS EMAIL. THEN ENTER A “555-” BEFORE THEIR AREA CODE.

FULL INSTRUCTIONS ON PAGE 6.
- **ALTERNATE ADDRESS & ALTERNATE CONTACT:**
  Optional. Could be used if the patron has two addresses (like a child who lives with parents at two households).

  **CHANGE TO “MAIL ORDER” IF THE PATRON WANTS ITEMS MAILED.**

  **NO PROOF OF ADDRESS YET? CHANGE THIS TO ONE MONTH FROM TODAY.**

  **PATRON CAN SEE THIS ON THEIR ACCOUNT!**
  USE FOR NOTES LIKE: “UMBRELLA IN MOSES LAKE LOST & FOUND UNTIL 5/1/17. KN.”

  **THIS NOTE IS ONLY SEEN BY STAFF.**
  USE FOR NOTES LIKE: “UPDATED PHONE NUMBER NEEDED. 5/1/17. KN.”

  **PATRON CAN CHOOSE A DIFFERENT USERNAME/PASSWORD, BUT IT ONLY WORKS FOR THEIR LIBRARY ACCOUNT.**

  **ALL PATRONS NEED CARD & PHONE #S TO USE LIBRARY DATABASES, PUBLIC COMPUTERS, & EBOOKS.**
• **PATRON MESSAGING PREFERENCES:**
  
  **A phone number is required to sign-up for a library card.** This has to do with auditing standards. As of April 1, 2015, **patrons MUST receive notices by phone and/or email.** Patron accounts will default to phone notices unless specific steps are taken (see page 6).

  • Other preferences are available for patrons who wish to receive additional notices (Example: receiving a notice in advance of the due date, or when an item has been checked out and/or returned).

4. **CLICK SAVE**

5. Every time you make a new card, Koha will search the system for duplicate entries. If a match is found, a pop-up notice will warn you. Click “View existing record” to review the account and determine if it is a duplicate.

   ![Duplicate patron record?](image)

**DUPLICATE**

**USE THIS BUTTON TO ISSUE CARDS TO OTHER HOUSEHOLD MEMBERS**

1. If another family member wants a card, click “Duplicate.”

We are no longer sending paper notices.
INVALID CONTACT INFORMATION

If the patron’s phone number is not valid, their account will be flagged as “Gone no address.”

This message will appear on the patron’s record:

This message will appear on the OPAC when the patron logs in:

Do not clear the patron’s account until you have received an updated phone number.

Patrons will have the choice to call their local branch, send an email, or edit their own account from the OPAC. Once the updated information has been entered, please change the “Gone no address” account flag to “No.”
LIBRARY CARD TYPES

- **NCRL:** Anyone who owns property or lives within our library district is eligible for a library card. You will usually use this card type. This card allows 100 items to be checked out for a 28-day checkout period, and 25 items to be placed on hold at a time. **DO NOT ACCEPT GENERAL DELIVERY ADDRESSES. If someone is in our area working or living temporarily (but for an extended period of time), use this card type!** HOW TO: use the “expiry date” field to indicate how long they will be in the area. The patron must still provide a local address (as well as a permanent address, which you will record under “Alternate Address”).

- **RECIPROCAL:** If a patron lives in a reciprocal library’s service area but does not own property in our library district, they are eligible for this card type. For an updated list of reciprocal library systems refer to the wiki: “Branch Manual – Service Area – Participating in the Cooperative- Use Agreement.” Patrons with a Reciprocal card can check out 5 items for a 14-day circulation period (with one renewal), place 5 items on hold, use our databases, and download eBooks and eAudiobooks. Patrons with this card type cannot use Mail Order or Interlibrary Loan services.

- **FEE - MONTHLY and FEE-YEARLY (Fee Card):** If a person lives outside of our service area, or in a non-contracting community within our service area, they may purchase a fee card for $10/month or $120/year. Patrons with fee cards can borrow up to 100 items at a time, place up to 25 items on hold, and use all of our online resources. They may not use Mail Order or ILL. For an updated list of contracting and non-contracting cities in our service area refer to the wiki: “Branch Manual – Service Area – NCRL Fee Cards.” **For help, contact Sarah Fletcher at sfletcher@ncrl.org.**

- **EDUCATOR:** Teachers at local schools and homeschooling families within the library district are eligible for this card type. It should only be used to check out materials for teaching. Benefits include a 90-day checkout period and an increased request (holds) limit of 100 items. This card should not be used to check out interlibrary loan materials, DVDs, bestsellers, or other materials for personal use. **This card MUST be made with a school’s contact information unless it is a homeschooling family.**
• **OUTREACH:** This card is intended for use by library staff that will be leaving a collection of materials in non-library locations. The card has unlimited checkouts for a period of 180 days. This card should not be used to check out DVDs, bestsellers, or other materials for personal use. 
  *Example:* Librarian takes a bin of books to their local daycare, Head Start preschool, or senior living facility.

• **COMPUTER USE ONLY:** Patrons who do not live in our service area or cannot prove their residence (they have no mailing address and can’t provide proof of residing in a shelter) are eligible for this card. This card gives access ONLY to the public computers, for one hour per day. Computer use cards should not be issued to residents of the library district who are eligible for an NCRL card. *Patrons may not borrow any type of material with this card.*

• **OWNS PROPERTY:** Patrons who own property in our service area but do not live here are eligible for this card type. They receive all of the benefits of a library card, and they are eligible for mail order service. *HOW TO:* under “Mailing Address,” put the patron’s current mailing address. Under “Alternate Address,” put the patron’s local property address. Add a note to the circulation field that says: “Owns property at the alternate address listed.” Include your initials to any circulation note.

• **STAFF:** NCRL staff are the only people eligible for this card type. It should only be used when ordering materials for your branch or for programming and/or outreach activities. This card allows 100 items to be checked out for a 365-day checkout period, and 100 items to be placed on hold at a time. This card should not be used to check out or order any materials for personal use.
CHECK OUT

1. To check an item out to a patron, choose the “Check out” window and scan their library card. If they don’t have their card, you can type in all or part of their name, or use the “Patrons” link at the top of the page to search for them using their phone number, mailing address, or email address. (For an image of this screen, see page 2).

5. Print the patron a receipt. While your cursor is still inside the check-out box, press enter on your keyboard to print a Quick Slip.

7. When you have finished checking out to the patron, protect their privacy by clearing the screen. To do this, click on the “X” in the upper-right corner of the “check out” box.
CHECK OUT MESSAGES

- **OUTSTANDING FINES:** Talk to the patron about their fines. **If the fine has not yet restricted the patron’s account, check the item out to them.** Koha will automatically restrict the account if fines exceed $150 or materials have been overdue for 70 days. **DO NOT** manually restrict the patron’s account for fines under this amount.

  ![Please Confirm Checkout](image)

- **ANOTHER PATRON HAS A HOLD ON THIS ITEM:** Click **yes.** Always check out material to the person who is holding it in front of you. The person waiting will get the next available copy. **DO NOT** cancel the hold.

  ![Please Confirm Checkout](image)

  ![Please Confirm Checkout](image)

- **BARCODE NOT FOUND:** Scan the item’s barcode one more time. If this still appears, you will need to do Fast Cataloging (instructions on page 13).

FAST CATALOGING

If the barcode of the item is not found, you will need to quickly add a record to the system so you can check it out to the patron.

1. Click “Fast cataloging” on the yellow pop-up box that appears on the patron's checkout page.

2. **The fields in red are required.** Please fill this form out using ALL CAPS. If possible, also enter the ISBN and Author fields.
3. Find the ISBN by looking at the publisher’s barcode on the back of the item. It can also usually be found on a book’s title page.

4. **CLICK SAVE** on the top-left side of the screen.

5. If there is an existing record that matches the author/title/ISBN information you entered, a “Duplicate Record Suspected” message will appear. Click **No: Save as new record**.

6. The “Add item (fast cataloging)” window will open. Scroll to the bottom of the screen and click “Add item.” You will be taken to the patron’s checkout screen, and the item will automatically be checked out to the patron.
CHECKING IN

1. To check an item in, choose the “Check in” window and scan the item’s barcode. **NOTE:** Verify that all parts of a multi-volume set are there before you scan the item's barcode to check the item in.

![Check in screen with item barcode entry and options]

2. You will be directed to the check-in screen. A summary of the items you are checking in will appear below the check-in box.

![Check-in items table]

3. Watch for messages regarding the item’s status and any holds waiting. For a list of possible check-in messages, see page 16. **NOTE:** If the item is damaged, do not confirm any holds! Instead, choose “Ignore.” This will ensure that the patron gets the next available copy in good condition.
CHECK IN MESSAGES

- **TRANSFER:** If an item needs to be transferred to another branch, choose “Yes, print slip.” Tape the printed transit slip to the front of the item and place it in the proper delivery bin.

- **HOLD FOUND AT YOUR BRANCH:** If the item is on hold for pick up at your branch, this box will appear. Choose “Print slip and Confirm,” tuck the branch slip into the top of the item, and place it on your holds shelf. **NOTE:** Be sure to verify that the branch on the receipt is your branch!

- **HOLD FOUND FOR PICKUP AT ANOTHER BRANCH:** If the item is on hold for someone to pick up at another branch, this box will appear. Choose “Print slip, Transfer, and Confirm.” Tape the printed transit slip to the front of the item, and place it in the proper delivery bin.
SEARCHING FOR MATERIALS IN KOHA

BASIC SEARCH
Use this when you know the AUTHOR and TITLE (and how to spell it!)

- Type all terms in any order, with one space between each word.
- Use only the main words in the title (do not use “the,” “and,” “or,” etc.)
- Use the root of the word without punctuation
  (Example: “swim” instead of “swimming;” “doll” instead of “doll’s”).

ADVANCED SEARCH
Use this to find a specific TYPE of item (when you know AUTHOR and TITLE
and how to spell it!).

- Use the BASIC SEARCH guidelines.
- Put all terms in the top keyword box with one space between words.
- Common type limits are: DVD/JDVD, CD/JCD, Large-Type, J/E/Board Book,
  and Spanish or Russian books.
ICONS ARE LISTED IN ALPHABETICAL ORDER FROM LEFT TO RIGHT.

TYPE SEARCH TERMS HERE!
MOVIES
- Choose DVD and Juvenile DVD icons.
- For American TV shows, add the word “season” to your search. For British TV shows, add the word “series” to your search.
- Narrow results by searching for actor’s name, director’s name, or studio.
- **DO NOT** search for a specific season.

AUDIO BOOKS
- Choose CD and Juvenile CD icons.

FOREIGN LANGUAGE MATERIALS
- Choose the item type limit (Spanish Book/Juvenile Spanish Book; Russian Book/Juvenile Russian Book; etc.)
- Search once using search terms in English, and then using search terms in the foreign language. Translate words at: www.google.com/translate.
- For subject searching, try using the call number as the keyword.

GENERATING A COMPLETE LIST OF HOLDINGS FOR ONE ITEM TYPE
- Choose the item type icon that you would like to generate a list for.
- Hit search! And then be patient. It takes a long time to generate a long list.
- You can narrow results by entering a year range in the “limits” below the item types. **NOTE:** this will generate a list of items acquired by NCRL during the time range you enter. Koha is not capable of generating a list of only items published originally in the past year (many items are re-published or re-released, and Koha doesn’t know the difference).

- **DO NOT** use other limits available on the Advanced Search page. Results will be varied, as not all catalog records include the necessary information.

REPLACEMENT COPY

If a patron chooses to provide a replacement copy instead of paying the fee for a lost or damaged item, please notify them that we need a *brand new copy of exactly the same material* (the ISBN number should match).

To find the ISBN Number:
From the patron’s account, click on the barcode of the missing item. Print the item page for the patron – the ISBN number is listed in the top section!

When the patron brings in a replacement copy, follow these steps:

1. Begin at a patron’s account by scanning their library card or typing their name into the “check out” box at the top of the screen.

2. Follow instructions 1-9 in “Payments for Damaged Material” on page 33.

3. Check that the item is no longer on the patron’s check-out screen, and that there are no fines showing on the patron’s account related to this item.

4. Fill out the replacement copy form. You are DONE!

**ONLY DO THE FOLLOWING STEPS IF A MANUAL INVOICE WAS ADDED:**

1. In the patron’s account, click on “Fines,” and then “Create manual credit.”

2. Fill out the Manual Credit Form, and then click “Add Credit.” Then, fill out a replacement copy form.

   DOUBLE CHECK THAT THE AMOUNT YOU TYPE IN IS THE SAME AS THE AMOUNT BEING CHARGED FOR THE ITEM.

**REFUND**

When you see a patron account that has a negative dollar amount showing on their fines page in the “outstanding” column, we owe the patron money.

The patron has paid for an item that has now been returned, and we need to send them a refund check. Refund checks can take 4-6 weeks to be processed.

1. Fill out a “Refund Request” form with all of the information and send it to the Distribution Center.
2. Place a note on the patron’s account so that other staff members know the refund request has already been submitted.
3. A check for the amount we owe will be mailed to the patron, and the balance will be removed from the patron’s account.
